# About Us

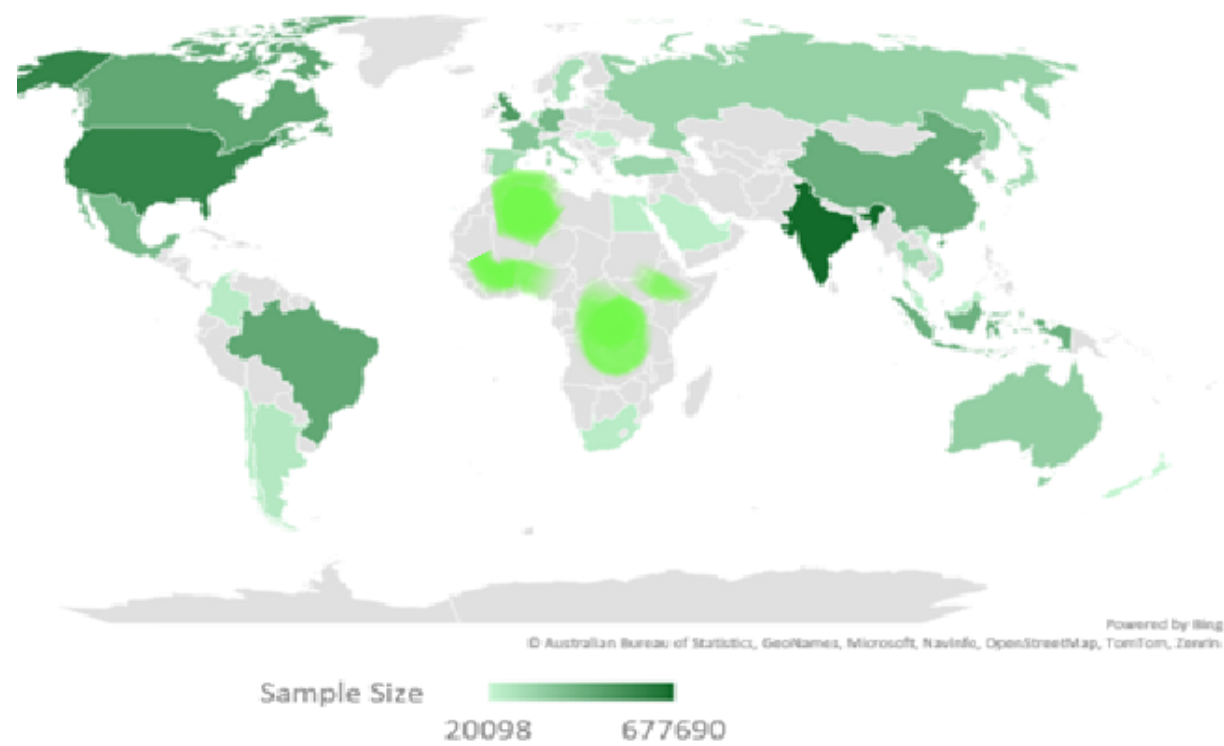

Neoteric Research Panel Solutions provides access to experiences of engaged consumers, driven by Technology & Community Analytics. The consumers belong to hard-to-reach audiences & segments (Consumers, B2B & Specialist Audiences, including Healthcare) of the World's developed and rapidly growing economies, including BRICS, MINT, AP & MEA (currently 50 countries, and growing).

We provide access to consumer insights with our Online Panels that gives you the leading-edge functionality and intuitive responses with superior flexibility. With over a decade's experience in the research industry, we are experts in gauging the cultural sensitivities, challenges, and opportunities in each of the markets we operate in.

We operate within consumer and business to business markets offering both qualitative and quantitative research services. Neoteric Research offer clients 'More value' at 'Less cost' through competitive pricing. Our services range from identifying market research requirements, devising a suitable programme, through to project implementation and reporting findings. The company was set-up in 2012 and has grown every year since. Based in Bangalore, India, we now have field presence in 17 locations across India with over 700 full time field interviewers, along with a team of 80 telephone interviewers conducting interviews round the clock covering multiple countries across the world.
